CLIENT OVERVIEW

Employment Enterprises, Inc. is a full-service strategic workforce solutions and talent management company that conducts business across 42 states, Puerto Rico, and Canada. The firm offers HR outsourcing, payroll services, staffing services, and recruitment services, among other programs.

CLIENT IMPACT

“We manage contracts with more than 2,500 employees across multiple states,” said Lovey Hammel, President and CEO. “Our business is not standard,” she added when discussing what they were looking for in an accounting and tax advisory firm.

THE SITUATION

“We were looking for a firm that worked with entrepreneurs,” said Hammel. Having worked with a number of firms in the past, Hammel sought referrals from colleagues for CPAs who really understood the entrepreneurial mindset “and best way for my company to do business.”

MCB IMPACT

Hammel’s ideal choice would be a team that was very “hands on” in the true spirit of a sustained partnership. “We were seeking a long-term deal, not a short-term transaction,” she added. She considers MCB’s response time to be excellent and has been impressed by the knowledgeable insight, professionalism, and ability of the MCB team to track down the right information in a prompt manner. “When I have a state or locality issue, I can’t wait six weeks for an answer.”

KEY RESULTS DELIVERED

With employees across the country in multiple states comes a variety of tax complexities and compliance issues. “MCB has been on top of it,” Hammel said. “This is a vital area for my business.”
